Stand up and be counted?

Are you ready for the elections? Or have you had enough of them already? I am becoming quite amused as I read daily of how "spin" from all sides seems to distort the facts to fit the rhetoric, a bit of "lost in translation" if you would.

Which reminded me of an old but funny story:

A young family are attending church all together and as the family bids the Vicar farewell at the church door, the young boy of the family walks up sheepishly and hands the Vicar his 20p. "Why thank you, my son" says the vicar, "but you should have put this in the collection plate". "I was going to" said the boy, "but my dada says you are the poorest preacher he knows, so you need it more".

A simple story that reminds me of a clever observation. There are three sides to any story. Yours, mine; and what needs to be under-stood.

Joseph de Maistre is famously quoted as saying "Every nation gets the government it deserves" To which my own father usually responds that we must have been very bad somewhere along the line. This coincides with many who say they won't vote because "they are all as bad as each other".

I find comfort in the observation that whilst political parties are name calling and trying to show up each other's warts and blemishes, that our arch-bishops are advocating learning to disagree in a Christian way. Not settling our differences but agreeing to disagree and still love each other and move on.

I will not end by saying who to vote for, but please do! When you vote ask yourself "what does my local area need?" Then vote for the party that will give your area, your street, your family what it needs.

God bless you all as summer approaches. May we be able to look in fondness as nature's beauty unfolds on our future.

Doynton Parish Pump Cake Stand

Please note that from May 1st the new **manager and bookings secretary of Doynton village hall** is Suzanne Carten – email doyntonvillagehall[at]mail.com or tel. 07986 636611.

The **village hall 80th anniversary celebration** on May 13th was well attended and much enjoyed by everyone. Mountains of sandwiches and cake vanished in a remarkably short time – rivalled only by the steady drop in the level of the beer barrel at the evening party and BBQ, with rockin' local band "Freefall". Mark Pitman gave a short account of the history of the hall, which was his grandfather's gift to the village in 1937. Now the hall is a thriving community resource, with regular exercise classes for dogs and people, celebrations to mark "hatches, matches and dispatches" and what must surely be the smallest post office in the South-West. Many thanks to all who provided photographs for the exhibition on the village hall through the decades, a large number of them featuring William Crew. Thanks also to those who donated food, put up the balloons and bunting, ran the BBQ and bar and washed and dried every plate and teacup in the hall four times over. There was just enough cake left over for the village chickens to hold their own party. Here's to the next 80 years!

Put **Saturday June 10th**, 2.00–4.30 p.m. in your diary now! As well as the **village fête** (see box opposite), the beautiful **gardens** of the **Old Rectory**, next door to the hall, will be open 11 a.m.–4 p.m. (admission £4.00, children free, home-made teas from your very own WI).

Walk off all that cake, at least temporarily, with a quiet country-lane **walk around Doynton**, organized by South Gloucestershire Walking for Health. Meet at Holy Trinity church on **Wednesday, June 21st** at 2 p.m. for a 45-minute walk, then put back all the calories with a cream tea in the Church Room (NB **not** the village hall as stated in the S Glos brochure).

Doynton House is opening its gardens under the National Garden Scheme on **Sunday June 25th**, 2-6 p.m. (admission £4.50, children free, home-made teas i.e. more cake). For further details, see the NGS website, www.ngs.org.uk/?bf-garden=34524.

News from St Bartholomew's

What a good day we had on May Day Bank Holiday! Monica arranged a Morning Coffee and Afternoon Tea in the churchroom to raise money for the flower fund, which we use to buy flowers for the special festivals throughout the year. We had a steady stream of people during the day, including four walkers plus dog, who just happened to be passing and saw the sign and called in. The homemade cakes were delicious and there was plenty of tea and coffee available. Just over £200 was raised and we are most grateful to all who supported the day. Thank you.

We missed a few regulars, due to holidays and illness, at the Bible Study on 15th May but still enjoyed the session discussing Psalm 22 including its relevance to our lives today. The next session is on Monday 5th June at Jane's home from 7.30pm.

Many thanks to Chris and the team for setting up the TV screen at the back of church. The Sunday morning presentations give information about forthcoming events and the general life of the church.

Toddlers on Tuesday mornings is going from strength to strength, and Open Door on Friday mornings is well attended every week. Pop in one morning, you'd be very welcome.

We are still looking for people to come on to the churchroom cleaning rota, so please do see, or phone, Jane if you can help - 0117 937 3386.

Mr Gay, who has been cutting the grass and keeping the churchyard tidy for many many years, has now retired and we are so grateful to him for all his hard work and loyalty over the years. We are pleased to welcome Kim Fitzgerald who has taken over the duties. We are also grateful to Lenny who maintains a number of graves and helps keep the churchyard looking neat and tidy. We no longer receive an annual grant towards churchyard maintenance and so wages and costs now come from public donations and general church income.

The Church Council will be meeting in June and among items for discussion will be Church maintenance, finances, the churchroom, and Pentecost. If you have any issues you would like to be raised do speak to the Vicar or any member of the PCC.

Thinking of Pentecost on Sunday 4th June, Suzy is organising a Summer Sunday Lunch after the service, so why not put the date in your diary. Come along and have a lovely homemade lunch with the church family.

As always, information about church events will be on the weekly notice sheets or don't hesitate to contact Tim or Suzy for more information

WICK VILLAGE WI: Wendy Haynes writes:

Sadly, I could not attend our April 27th meeting as I had another W I meeting to go to. I understand from the other W I Ladies the meeting went well and Feisel Khalif "pirate attack" entertained them with games and a Quiz and the Ladies had a enjoyable evening.

On April 22nd we had a interesting visit to The Masonic Museum in Bath. We heard a very informative talk on its history: how it was the first Theatre Royal outside London, how it became a Catholic chapel (where Bishops were ordained) and then, in 1865, became a Masonic Lodge. We stood on the stage where Sarah Siddons, whom many people consider to be the finest tragic actress of all time, became so famous, and had a look at the original 18th Century scenery loft. We finished the day with a visit to the Museum to view the finest collections of the Masonic Artefacts in the world. Fascinating.

Next months, on June 22nd, our speaker will be Doreen Hargreaves. Doreen is a local resident who runs a keep fit class, and she will tell us a little about "The life of a Keep Fit Instructor". This should be a very interesting evening finishing with Tea and (*very healthy)* biscuits so come along and join us, you will be warmly welcomed.

Wick Football Reserve Team Manager Vacancy

We are still looking for a new manager as our current manager has decided to step down at the end of the season. He has taken on a new job and is unable to commit to running the team next year. This leaves an opportunity open that the committee are keen to fill with a manager who can build on this season's achievements and hopefully bring in a number of younger players to develop the team further and press for selection to the first team. Our committee is very supportive and if you are interested in the role or know someone interested then please contact Matt Davis on 07977 510352.

Wick Football Club

It's been a long time coming but Wick FC will be bringing Gloucestershire County League football to our local community next season. The lads have had an exceptional season and have gained promotion to the Step 7 on the National Football League pyramid. The ground at Oldbury Lane passed the inspection after a monster effort from the club, and after achieving runners up spot in the Bristol Premier Combination our nearly 40 year wait is finally over.

In any other season 68 points would have been enough to win the title, but after losing only 2 games and drawing 2 games all season, but we were piped at the post by Cribbs Reserves.

Back row: Mike Strawford (Mgr), Kieron Hutson, Jack Baber, Sam Thomas, Ben Stiff, Dave Paterson, Grant Ogbourne, James Pocock, Jay Hubbard, Nigel White (asst Mgr).
Front row: Danny Sheldon, Joe Treasure, Mike Hardiman, Ash Bamford, Sean McPhillips, Shaun Morris, Danny Beer, Joe Thomas, George Cryer.

Our journey into pastures new, will start in early August, where we will be playing teams from all over the county including a number of teams from Gloucester. Last season we saw a massive increase in visitors to our Oldbury Lane ground and we are hoping this will increase further next season. We are also re-instating our award winning programme and each game will be officiated by a referee and two appointed linesman.

Promotion does not come without additional costs and requirements, but the club is buzzing at the moment and we hope to encourage local companies/businesses to help us share in this success and help us meet the costs associated with a sponsorship package. The sponsorship packages that we have can be tailored to suit both larger and small sponsors and any help would be most welcome. Please see below the various packages available, however if you are interested in any other form of support both financially or voluntary please contact Matt Davis on 07977 510352.

- Main Club Sponsor
- 1st Team Main Playing Kit Sponsorship
- Match Day/Ball Sponsorship
- Advertising – Pitch Side Hoarding
- Official Club Website & Match Day Programme Advertising
- Player Sponsorship

The Club is ambitious to excel on and off the field and develop their presence within the local community, building on the exposure gained during last season's runners up spot. We can arrange either a standard or tailored package for you and your company, clients and colleagues.

The reserves, A Team and Veterans all had steady seasons and maintained their respective league status. We will be back to business in early June, when pre-season training will start at 7pm at our Oldbury Lane ground. Any new players of any age in the village are always welcome.

Follow us on Twitter @WickFootball_, we now have over 180 followers, to get all the latest information, updates and news.

Follow us on Facebook @Wick Football Club - Bristol, we now have 250 likes.

Visit our website @ www.wickfc.org.uk, where we are averaging over 50 unique views per day.

If you know any team interested in arranging a friendly against any of the Wick teams, please contact Matt on the above number. We are planning to have our pitches available from early July 2017.

Dyrham & Hinton Diversions

Mothers' Union

Mr & Mrs Brett came to speak to us in April on their recent visit to Belarus and Ukraine.

In the first week they visited Belarus, this country is very poor; but the hospitality that they received and the reception in the various schools was appreciated. The group of 12 people who went out took with them clothing etc. The second week they went to Ukraine; whilst here they visited the Nuclear Reactor site in Chernoble after being suitably clothed as this site is still contaminated with radiation; after 30 years of the disaster. Every year children come to Britain to have a holiday with host families for 4 weeks; when they return their health has improved.

Next meeting **June 27th 2.30pm**. Homefield Centre.

Elizabeth Webb.

DaHComm

As announced last month, DaHComm is a new notification system for the parish, via email or text, augmenting the web sites.

If you haven't yet sent off your opt-in request from last month's flyer, send your name and either your email address or mobile phone number to dahcomm@outlook.com.

Contributions for the next Dyrham and Hinton Diversions should be with John Miller (0117 9372986) by **18th June**.

Charity Vets Sixaside

Just a quick reminder that this year's Wick FC Veterans Sixaside will be held on Saturday 27th May, KO, our chosen charity is MIND. Wick FC will donate all of the entrance fees similar to last year, where David Beckham's UNICEF 7 charity received £500. Everyone is welcome, the bar and BBQ will be open all day, weather permitting there may be a possibility of a bouncy castle. MIND provides advice and support to anyone experiencing a mental health problem. A really worthwhile cause, see their link: http://www.mind.org.uk

A special thanks to all of the local companies that have donated prizes or supported the club by advertising in the programme.
