

## HATCHMENTS PHOTO GALLERY

It is not possible to exhibit photo galleries on all platforms using Flash (which gives the best results), e.g. Flash galleries won't show on Safari, Firefox, so I have had to use Java Script which all platforms can handle. This results in some loss of quality and some of the longer captions are not readable. Below is the script of the captions of all of the photos.

1. William Blathwayt 1st, c1649 - 1717. Wynter shield over imposed.
