

APPEAL FOR SALVAGE TEAM RECRUITS

Holley Richardson of Dyrham Park NT writes:

We are now recruiting for our Salvage Team here at Dyrham Park and this provides a great volunteering opportunity with usual National Trust benefits. As a volunteer Salvage Team Member you can claim for any travel expenses to and from Dyrham Park for any training sessions you attend. In addition, you can claim for your volunteering hours and once you have completed 50 hours you are entitled to one of our volunteer discount card, which gives you discount in National Trust shops, restaurants, holiday cottages, as well as free entry to other sites. The Salvage Team Member role is the basic level for our Salvage Team structure and the role profile is attached. If anyone is interested then can simply apply online at this direct link:
